PUBLICATIONS

Research paper

A research paper is based on mango leaf diseases in which I have worked on different kind of severity levels and their advantages and disadvantages. In a research paper, we also include their confusion matrix, parameter tables and references, and their results.

PROFESSIONAL SKILLS

Technical skills

In technical I know about Html, CSS, Python, Java, Bootstrap and a little bit about Javascript.

Communication skills

In terms of communication skills, I am an active listener and adapt to new things easily and I am good at speaking.

Leadership

I have leadership qualities and lead my team easily. I can easily decide according to the situation.

Projects

Perfume Website

For this website, we use HTML, CSS, and Bootstrap. In this, I create a home page and other pages linked to the home page. In this, I include the Contact Us and About Us pages and also include different fragrance perfumes.

Home remodeling Website

For this website, we use HTML, CSS, and Bootstrap. In this, I create a home page and other pages linked to the home page. In this, I include the Contact Us and About Us page and also provide different services.

Coastal Family Health

For this website, we use HTML, CSS, and Bootstrap. In this, I create a home page and other pages linked to the home page. In this, I include the Contact Us and About Us page and also provide different services.

Employee record system

For this, we use Datastructure. In this, we have details about employee which are stored in the backend. When we can access any employee data then I can fill in the employee ID and all the details of that employee is shown in the screen.

Certification

Java

Python
